PHILADELPHIA

The following slides show our school's performance in comparison to all other Network 10 schools. For comparison purposes, Tilden is a 6-8 school, Jenks is a K-5, and all other schools are K-8.

The further the dot in the bar, the more progress the school made from last year. If the dot is further away, this means the school is underperforming in comparison to last year.

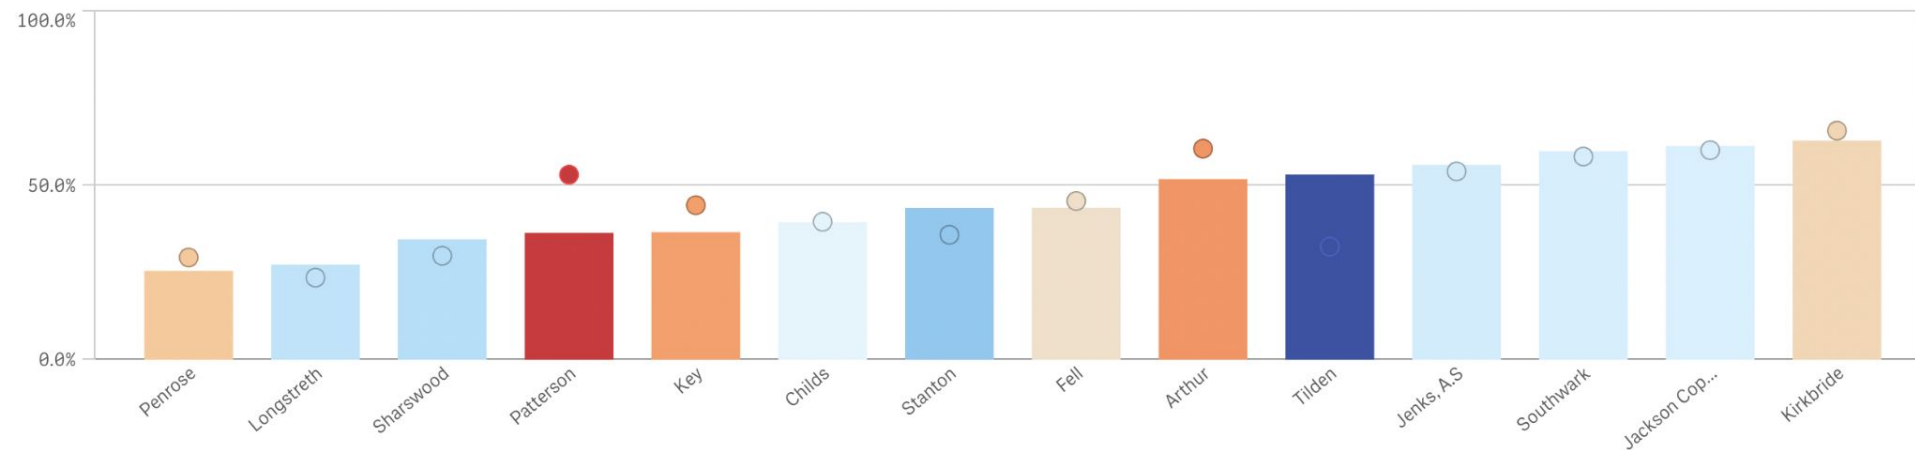

Attendance

Tip: Use the toggle on the X-axis to see an all-schools view. (Default will show network-school-grade level drill down.)

% of Students Attending 95% or More Days; SDP: 38.0%

2022-2023 (Bars) v. 2021-2022 (Circles), through May
